

Hello! My name is Kristin Kaestner and I am the Director at Beth Academy. I started working here as a teacher in Butterfly in the evening and in Safari during the summer before becoming the Director. Working with children has been a passion of mine since I was young. I graduated with a Bachelor's degree in Psychology/Sociology which led my career into working with children diagnosed with Autism in home and in a clinical setting and have worked as a Special Education paraprofessional in the Meramec School District. I'm a proud mom of two adult daughter's named Carlye and Madison. Madison works as a lead teacher here at Beth Academy. I also have two beautiful granddaughters, Novalee and Everly, that are enrolled here as well. I'm excited to work with an awesome team to provide positive guidance, support and have successful outcomes.
