

Hello! My name is Megan Perry. I have been working at Beth Academy since 2016. I started my career working with 2's, 4's, & Pre-school. After being around all different age types, I really enjoyed teaching 4 yr. olds the most. I became a co-lead teacher in the Safari Room until I was needed to assist the front desk. While learning new skills, a position opened up for Assistant Director that I was honored to take in 2021 and have been there ever since. In my free time I enjoy taking walks with my dog Stella, cooking, & gardening. My favorite thing about being an assistant director is having a positive impact on our wonderful staff, & greeting all of our kiddos in morning.

We hope to hear from you soon 😊
